GOVERNMENT OF PALESTINE

No. 1202/65/2

ACCOUNTANT GENERAL'S OFFICE
JERUSALEM

CONFIDENTIAL

17th January, 1942

District Commissioner,
Samarita District,
Nablus

Subject:- Claims for compensation in respect of
loss of life or bodily injury.

Reference: Chief Secretary's Circular letter
No. F/107/38 dated 11th December, 1940.

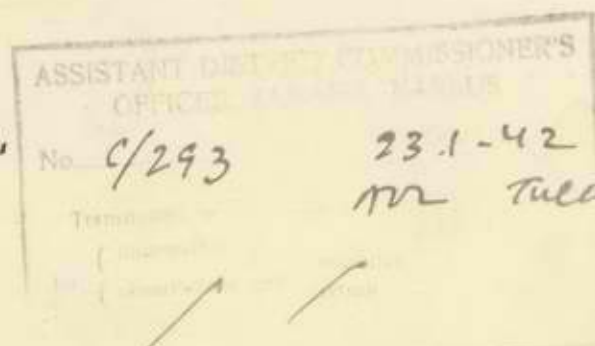

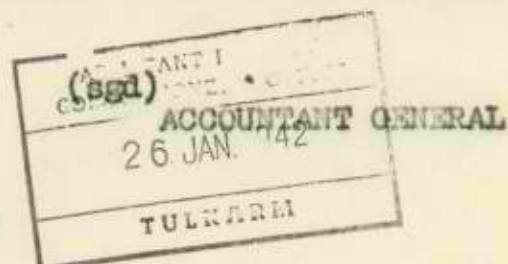

I have to invite your attention to paragraph (vi) of
the letter under reference.

2. With the completion of the 22nd Schedule, outstanding
questions are mainly those relating to appeals against the
Chairman's decisions. These matters are not the concern of this
office, and should be settled by the Chairman as he thinks fit,
but reference to this office in such matters should be discontinued
forthwith unless information is required as to whether or not a
particular payment has been made. Even here District Commissioners
should be able to obtain the information by reference to the case
file and the Sub-Accountant through whom payment would normally
have been made, and if reference to this office should prove to be
necessary the enquiry should be accompanied by the case file.

A | 3. A number of case files have been retained in this
office for various reasons, but these will be distributed forthwith
to the District Commissioners concerned, so that, for the future,
enquiries - no matter what the subject - should be addressed to the
District Commissioner concerned in the first instance.

4. Finally, I should like to stress the importance of
detailing a senior officer to supervise matters connected with
compensation. I would urge, too, that all case files should
be kept under lock and key. The significance of these suggestions
may be gauged from the fact that payment of injury awards included
in the 22nd Schedule have been deferred on the Chief Secretary's
instructions pending the result of the trial of a Grade O Officer who
formerly acted as District Secretary to the Commission. I understand
the officer concerned has been charged with bribery and corruption.

20th June, 1941.

His Honour Judge R.B. Bodilly,
Law Courts,
Jerusalem.

Your Honour,

Some time ago, a claim for compensation from the widow of the late Mahmud Eff. Karimi, a Government officer killed in Beirut for political reasons on 24.12.39, was submitted to you. You decided the claim at Tulkarm and awarded the dependants the sum of LP.250, LP.50 of which went to the widow.

The widow received her share of the compensation through me by power of attorney, but the remaining LP.200 belonging to the dependants is still with the Sub-Accountant, Tulkarm, who apparently is disinclined to pay the money into the Moslem Orphans' Fund under the Supreme Moslem Council, and is not authorised to pay the money to me as the guardian of the dependants because the deed of guardianship issued by the Qadi of Tulkarm stipulates that I, the guardian, should not be allowed to receive the money of compensation.

I cannot understand why the Qadis who appoint guardians after satisfying themselves of their honesty, should insist on disallowing them to receive the money awarded to the dependants as compensation.

The same Qadi of Tulkarm who issued the deed of guardianship referred to above did not object to my receiving the gratuity and the pension. The

P.T.O.

former, LP.280, I received some time ago and I receive the latter LP.10.676 regularly every month. If I am honest enough to be trusted with the gratuity and the pension I do not see why I should not be equally honest to receive the remaining LP.200.

The mukhtars and notables of Tulkarm and the Director of Education may vouch for my honesty and reliability in this respect.

I shall be obliged if you will order that the sum of LP.200 which is still with the Sub-Accountant, Tulkarm, may be handed over to me in my capacity as the guardian of the dependants.

I have the honour to be,

Your Honour's

obedient servant,

Hasan Karmi
Guardian of the dependants
of the late Mahmud Karmi.

Statement of Khatima Husein el Umar of el Mir
village

27

About eight months ago I went to Tulkarm for the case of my deceased son Abdur Rahim Abdul Karim Abu Islim. At Tulkarm I met Selim el Karimi who told me that he will approach the appropriate departments regarding the case provided I pay him £ 25. IAs I did not know the procedure nor the departments concerned at Tulkarm, I accepted and he requested me to give him a promissory note which was made and I affixed my thumbprint thereto in the presence of witnesses who signed it and whom I did not know. As I came to learn from District Officer, Ramleh that I should not pay the amount of the promissory note, I therefore request him to forward this statement to District Officer, Tulkarm for enquiry and to forward the promissory note in order that Selim should not ask me to pay it because I was not previously indebted to him.

Subject : Payment of ex gratia awards
for compensation.

Claims, duly passed for payment, in respect of awards included in the 16th Schedule, which has been approved by the Chief Secretary, will shortly be forwarded to District Officers direct (under strictly confidential cover), together with relative claim files. After payment the duplicate vouchers duly stamped "Paid", and the relative claim files should be returned to me.

2. I am particularly anxious that the payments about to be made do not give rise to the allegations, which have occurred over previous payments, that claimants have not received their awards in full. In this regard, the commonest allegation is that certain persons have represented themselves as being in a position to facilitate matters on payment, of course, of a "fee" by the claimant. I have been unable to prove the truth of such allegations as have been brought to my notice, but it is even suggested that Promissory Notes have been made by the beneficiaries in this schedule in favour of Government officers. I consider, therefore, that the payments about to be made should be personally supervised by a District Officer. I may add that I recently discussed the matter with several District Officers who informed me that in their opinion the allegations were not without foundation. In the circumstances, therefore, I suggest that each District Officer should be instructed to arrange for the attendance of claimants on specific days when payment should be made to them in his presence. He should warn each claimant that no person, official or non-official, had any authority for promising to facilitate matters, and that if the claimant has given a promise to pay for such "services" he (or she) should not make payment until the matter has been investigated by the District Officer. In the meantime I enclose a copy of the 16th Schedule and shall be obliged if you will instruct the District Officer concerned to arrange for it to be scrutinised with a view to ensuring as far as possible that duplicate claims have not been presented, i.e. that claims for the same death or injury have not been presented in two or more districts as has been disclosed in one or two cases.

3. The District Officer should also ensure that the following matters are complied with :-

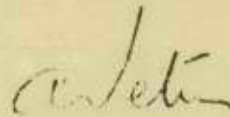

- (i) That particulars of identification leave no room for doubt that payment is made to the right person.

F.T.O.

2.

- (ii) In the case of payments to guardians, that payment is made only to the guardian nominated in the claim and not to other bodies, i.e. Mudir Itam, Sharia Court, etc. If payment to guardians cannot be effected under these rules, the claim must be referred back, through me, to the Chairman of the Compensation Commission for his further instructions.
- (iii) In the case of payments to widows, that a copy of the legal marriage certificate (and not a 'Mazbata') is produced and retained in the claim file before return to this office.
- (iv) In the case of payments in respect of minors, that birth certificates are produced and that the particulars therein correspond with the particulars given in the claim file. (The certificates should be retained in the claim file). If the particulars given in the birth certificates and the claim files do not agree, the District Officer should return the voucher to me with his comments.

4. I enclose additional copies of this circular letter for transmission under "Strictly Confidential" cover to District Officers.

ACTING ACCOUNTANT-GENERAL.
